It is England's forgotten palace which belonged to Britain's richest aristocrats. "Black Diamonds" tells the story of its demise: family feuds, forbidden love, class war, and a tragic and violent death played their part. But coal, one of the most emotive issues in twentieth century British politics, lies at its heart.

Black Diamonds: The Rise and Fall of an English Dynasty ...

Catherine Bailey's Black Diamonds presents quite a challenge for me as a reviewer. In terms of content this piece is a treasure trove of information, but the formatting and haphazard construction make it an incredibly difficult piece to digest. For the record Bailey does not cover the rise of the Fitzwilliams.
