How To Write Your Experience Record. Now let's get to the nuts and bolts of writing your Experience Record. Here is a link to my Experience Record to use as a reference.. The first thing you will do is start a Word document, take the list of projects and issues you made, and start fleshing each one out by writing down every relevant detail about them that you can remember.

The Ultimate Guide to Writing Your Experience Record - PE ...

So it's time to write your engineering experience record. For me, this was the most time-consuming task of the whole process. Part of the reason for that was procrastination, but a more legitimate factor was that I had to recall and summarize the experience from one Master's degree and 4 positions at different companies that spanned 8 years.. I must have done *something* at that job 6 ...
