### Marking System : Continuous Ink Jet Printer : Hitachi ...

The Hitachi PB-260E basic continuous inkjet printer is based on the same proven design concept as its predecessor the PX Series, but has been optimised for the best cost performance in stand alone coding applications. It is equipped with a monochrome touch panel which allows for user friendly operation.

### Hitachi PB-260E Basic Printer - Newcode

Hitachi inkjet printers are dedicated to high quality components. This is why a dedicated viscometer is still used to measure our inks condition. Other printers rely on a theoretical calculation in order to determine viscosity as a means to cut manufacturing costs but Hitachi knows that having a dynamic reaction to the ink provides better control and more stability.
