Drawing on the “New West” canon of economic geography featuring Ray Rasker, Patty Gude, Bill Travis, William Beyers, Thomas Michael Powers, and others, one could ask why we are still talking about this part of the West. Isn’t it a “lost landscape and failed economy” that has been replaced by amenity-based growth?

Community Resilience and the Third ... - Headwaters Economics

Isn't it a "lost landscape and failed economy" that has been replaced by amenity-based growth? In some ways, that is true—at least in terms of the Third West’s population, employment numbers, and levels of personal income compared to the rest of the American West.

Community Resilience and the Third ... - Headwaters Economics

“The COVID-19 recession is going to have scarring effects both on the business landscape and labor markets, and policy makers need to be preparing for those effects now,” Edelberg told Axios earlier this month. The big picture: Americans who have lost their jobs are losing hope.
