The Children of the Emperor were a group of individuals who unknowingly served the Sith Emperor of the reconstituted Sith Empire as puppets and extensions of his will throughout the later years of the Great Galactic War and subsequent Cold War with the Republic. First created around 3678 BBY, the group consisted of individuals who had been brought before the Emperor as infants and imbued with a part of his own power, transforming them into his eyes, ears, and agents throughout the galaxy.

Children of the Jedi is a novel I'd really like to say is not an essential read for anyone looking to get into Star Wars books. In fact, the novel is severely lacking the excitement that is Star Wars. I once received this book years back as a gift and after reading it through I was blown away of how bizarre, out of place and drab this story was.

The Callista trilogy is a series of three Star Wars novels featuring the ex-Jedi character Callista Ming; while not officially branded as a trilogy, they are often regarded as such. They take place beginning several months after the Jedi Academy trilogy, or eight years after Return of the Jedi. The first book, Children of the Jedi, was written by American writer Barbara Hambly. The second book is Darksaber by Kevin J. Anderson. Hambly also wrote the final novel in the cycle, Planet of Twilight.

It is certainly the best Star Wars novel I have read; it has more of the emphasis on character and spiritual issues and less of the "military" focus of the (also excellent) Zahn books. Many reviewers focus on the perceived flaw of "too much description." Perhaps the issue here is that many Star Wars readers really want a movie and not a book.
